

# Chic & Cozy Home Aesthetic Checklist

Use this checklist to transform your home into a stylish and cozy sanctuary. Follow these key decor and organization tips to create a balanced, inviting space.

## Neutral Color Palette with Texture

- Use soft tones like beige, white, and taupe
- Layer different materials such as linen, wool, and wood
- Add metallic or stone accents for depth

## Statement Lighting for Ambiance

- Use layered lighting: overhead, table lamps, sconces
- Opt for warm LED bulbs instead of cool tones
- Add smart dimmers to adjust brightness

## Blend Vintage & Modern Elements

- Mix vintage furniture with contemporary decor
- Use antique artwork to add charm
- Keep a cohesive color palette to unify the space

## Incorporate Natural Elements

- Add houseplants like ferns, fiddle-leaf figs, or succulents
- Use wooden, stone, or rattan furniture
- Maximize natural light with sheer curtains

## Multi-Functional Spaces

- Choose furniture with hidden storage
- Use dividers or rugs to define spaces
- Keep a balance between aesthetics and practicality

## Cozy & Layered Textiles

- Use a mix of wool, velvet, and linen fabrics
- Add plush throw pillows and blankets
- Include a high-pile rug for added warmth

## Declutter & Organize

- Invest in stylish storage solutions
- Follow the 'One In, One Out' rule
- Keep surfaces minimal and tidy

### **Seasonal Decor Updates**

- Swap out decor elements seasonally
- Use lighter fabrics in summer, cozier ones in winter
- Update floral arrangements and scented candles

### **Art & Personalized Accents**

- Create a gallery wall with framed art and photos
- Display sentimental decor like family heirlooms
- Use books, vases, and sculptures to add character

**Enjoy designing your home with a perfect balance of chic and cozy!**
